Ultraspun Wicking Polyester

A NEW OPTION IN OUR PERSONALIZED SCHOOL UNIFORM SOCKS

We have long offered School Uniform socks personalized to your school at a **very reasonable retail price with a 50% profit**. We continue that tradition with a wonderful new addition to our uniform sock line. We still offer white cotton and 23 colors of acrylic, but we are adding moisture management polyester to our line.

These socks are available only in white in the low-cut, quarter-crew, crew and knee-high styles with a special sandwich terry weave in the foot which gives great cushioning but a lighter feel than our regular Terry-knit foot. They are available in a full sandwich terry foot or a ½ sandwich terry with full terry on the bottom and flat-knit on the top. The Ultraspun yarn is designed to move moisture away from your foot to the surface of the sock and thus these socks are extremely cool and comfortable. Your wholesale is \$7.50 per pack with a suggested retail of \$15.00 for this fine product. The low-cut and quarter-crew styles come in a 3-pair pack; the crew and knee-high styles come in a 2-pair pack.

Minimums—The minimum order is 60 packs of the school logo socks in any one design or style. Within the 60 packs, there is a minimum of 20 packs of any size ordered.

We have done uniform socks for many, many schools around the United States, and we are glad to supply reference contacts for one or more schools in your area so that you can ask about our quality, design and customer service.

ALL OF OUR SOCKS ARE PROUDLY MADE IN THE USA.

Please contact Al (info in header) for free samples, more info or to place an order.
