## **NYLON CUSTOM BLOX SUPER LOGO SOCKS**

We are now carrying a hot new item in the world of socks: Nylon Custom Blox Super socks made to your specifications and design in the US for a very reasonable price. These socks would cost much more from most sporting goods stores or online outlets, but we are offering this new addition to our great line-up for your wholesale cost of only \$7.95 per pair for crew style or \$8.50 for knee-high style. We suggest a retail of \$15.95 per pair for crew and \$16.95 for knee-high, but you are free to charge whatever is best for your situation. These socks are very similar in style and design to Custom Elite socks which typically retail for \$20 or, often even more, per pair. We offer a large selection of 30 colors of long-wearing nylon including a number of popular “neon” colors. We also offer 6 sizes from an extra small 5-6 to an extra large 13-15. We think that you will be delighted by the response that you get for your fundraiser.

**Minimums**—The minimum order is 24 pairs of the Nylon Custom Blox Super logo socks in any one design with any mix of sizes and, if you desire, 12 of one color and 12 of another. We offer free shipping via UPS with a 50 pair minimum order.

*We have done sock fundraisers for many, many schools and groups around the United States, and we are glad to supply reference contacts for some of our clients in your area so that you can ask about our quality, design and customer service.*
